Android Wear

Où il faut, quand il faut

Samsung Gear Live (Black)

Powered by Android Wear. Bright and stylish, the Samsung Gear Live moves with you.

Samsung Gear Live gives you useful information exactly when you need it, like weather forecasts in the morning or messages as soon as they arrive. You can also say "Ok Google" to ask questions and get stuff done by voice. Ask whether it will rain this weekend or send a message to a friend. Compatible phone required.

Leaves warehouse by July 8. Learn more
